

Gesture Floor Lamp

KT1251 | 1.0

GENERATION LIGHTING PORTABLE

GENERAL PRODUCT INFORMATION:

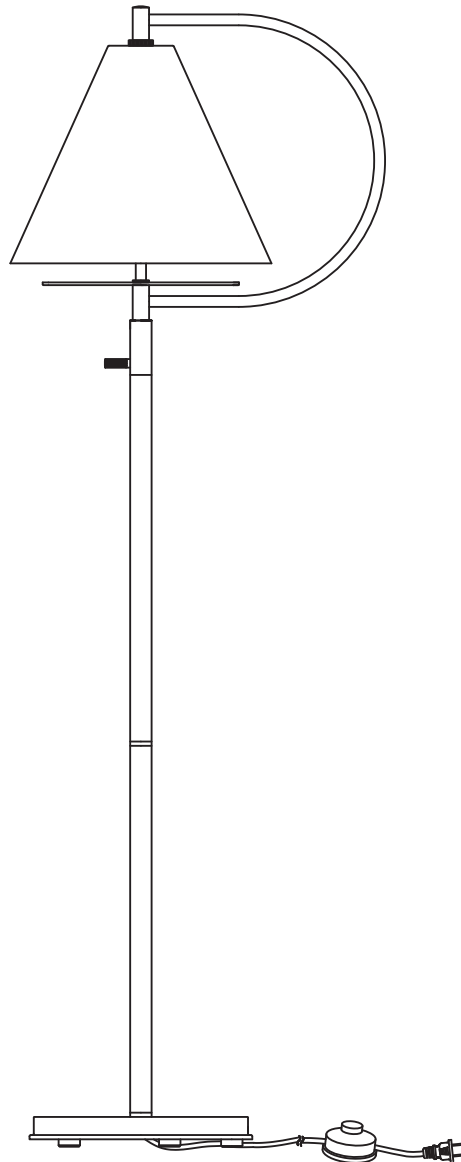

This product is safety listed for dry locations only.

This instruction shows a typical installation.

SAVE THESE INSTRUCTIONS!

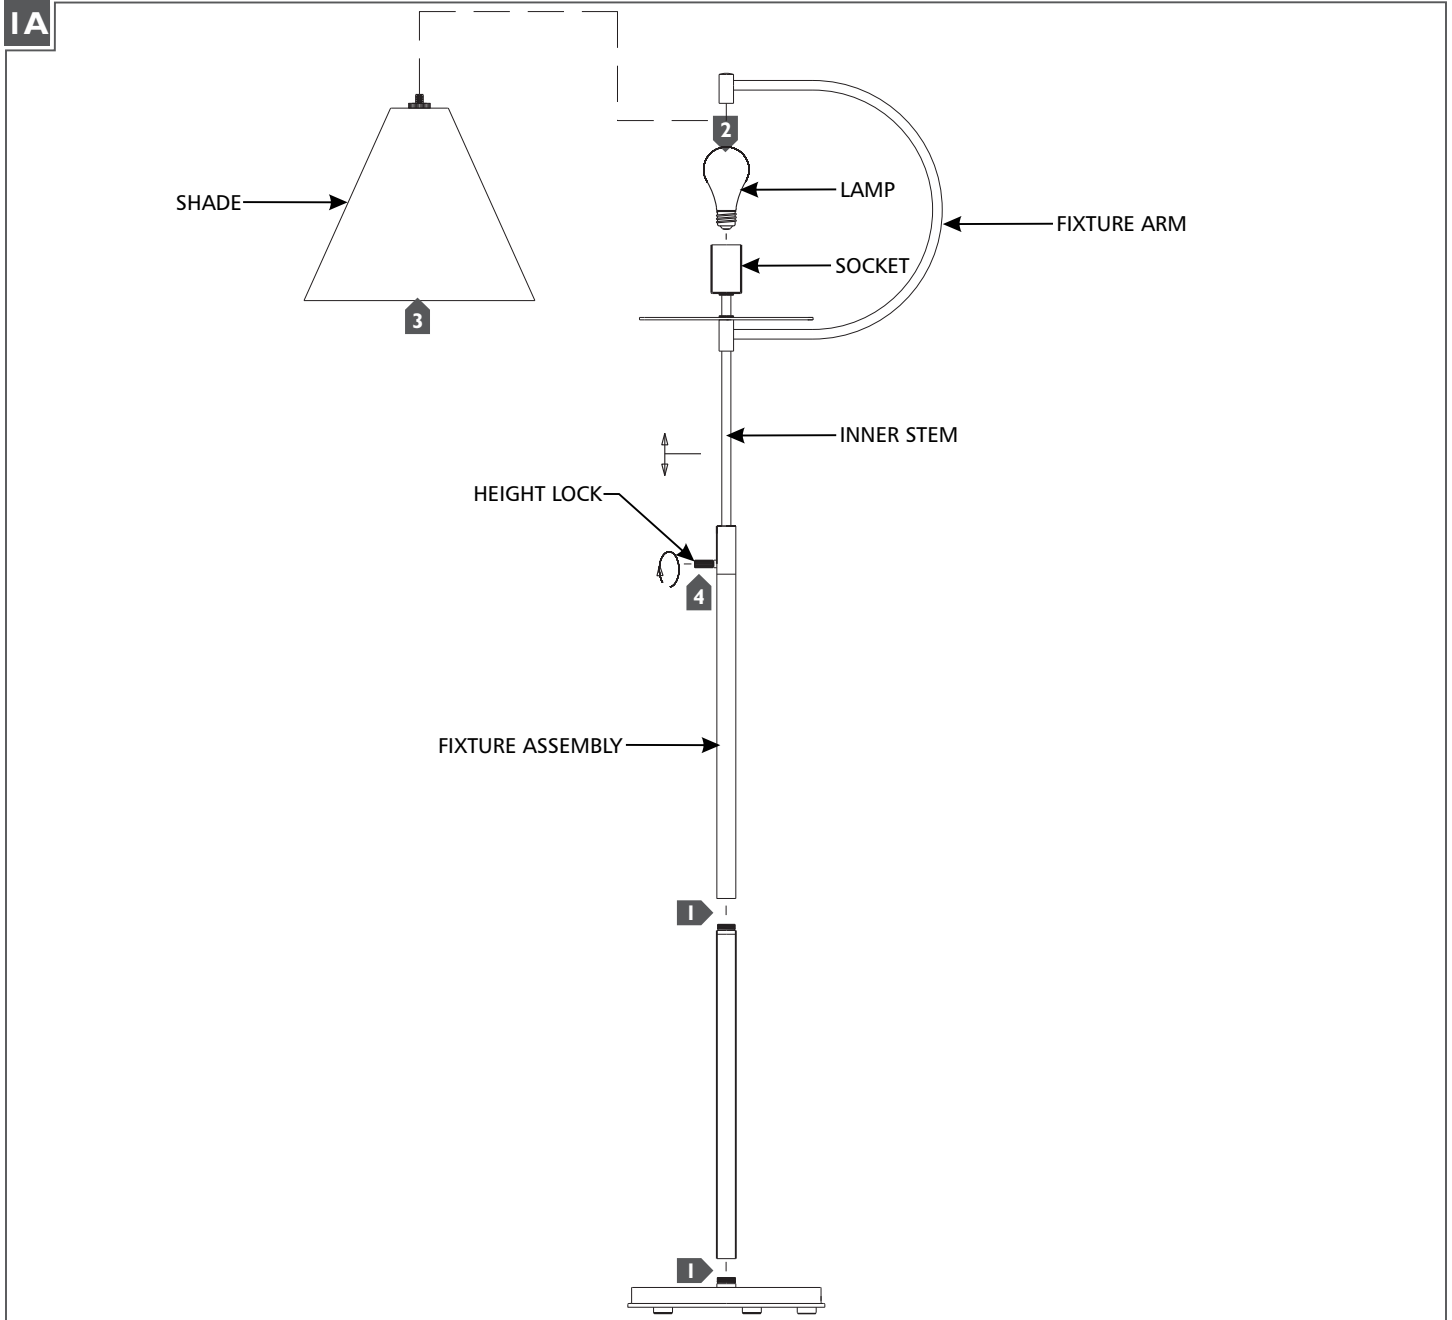

IMPORTANT SAFETY INSTRUCTIONS

This portable lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit contact a qualified electrician. Never use with an extension cord unless plug can be fully inserted. Do not attempt to defeat this safety feature.

Assemble the Lamp

- 1** Screw the stem to the base, then screw the fixture assembly onto the stem.
- 2** Screw the lamp into the socket. Refer to the label on the lamp socket for Max Wattage Information.
- 3** Screw the shade onto the fixture arm.
- 4** To adjust the height of the inner stem, loosen the height lock, adjust to desired height, and tighten the height lock to secure in place.
